McSHANE CONSTRUCTION COMPLETES 20,300 S.F. CLASS A OFFICE ASSIGNMENT FOR OGLETREE DEAKINS

(Class A Office Assignment Accommodates Relocation and Growth of Prestigious Law Firm)

(Rosemont, Illinois) – Jeffrey A. Raday, President of McShane Construction Company, is pleased to announce the recent completion of the 20,300 square foot, Class A office assignment on behalf of Ogletree, Deakins, Nash, Smoak & Stewart, P.C. (Ogletree Deakins). The prestigious law firm has relocated its Chicago office from 20 South Clark Street, Suite 2500, Chicago, Illinois to the more spacious and contemporary office suite at 155 North Wacker Drive, Suite 4300, Chicago, Illinois. Ogletree Deakins is one of the nation's largest labor and employment law firms, employing more than 500 attorneys throughout 40 U.S. offices.

The enhanced legal services suite includes 36 private offices, 12 soft offices, three conference rooms, an extensive law library and a kitchen/breakroom. The upscale office environment incorporates high-end finishes, such as intricate millwork, attractive fabric paneling and motorized sunshades. Additional aesthetic interests include an artistically detailed lobby lighting system and intricate stone flooring. This sophisticated office environment also offers employees and guests striking views of the Chicago skyline.

McShane Construction previously completed Ogletree Deakins' original tenant build-out at 20 South Clark Street in addition to completing an 18,000 square foot, multi-phase upgrade and expansion assignment for the firm at this location. Those assignments included the installation of custom millwork, marble flooring and Japanese etched glass throughout the prominent office space.

"McShane Construction places high value on its strong working relationship with Ogletree Deakins. We have been able to repeatedly assist this well respected law firm in achieving its operational and working environment objectives, and look forward to future collaborations that may enhance their goals and strategic initiatives," Raday remarked.

The 45-story high-rise located at 155 North Wacker is a glass and curtainwall office building located in Chicago's Loop that was designed by the architectural firm of Goettsch Partners, Inc. The U.S. Green Building Council has designated this impressive downtown high-rise as a LEED™-Silver facility.

Atlanta-based ASD Architects provided the architectural services for the Ogletree Deakins tenant improvement assignment.
