### **McSHANE CONSTRUCTION COMPLETES CVS/PHARMACY RETAIL ASSIGNMENT FOR DEVELOPER, THE VELMEIR COMPANIES**

*(New Single-Story, 14,700 S.F. Store Located in  
Helena, Montana Enhances Community's Retail Offerings)*

(Auburn, Alabama) - Scott J. Hoppa, Vice President of McShane Construction

Company's Southeast Region, is pleased to announce that the firm recently completed a 14,700 square foot CVS/pharmacy construction assignment for developer, The Velmeir Companies. The new single-story retail store is located at 3095 N. Montana Avenue in Helena, Montana.

The exterior was constructed of an attractive masonry finish featuring split face CMU block and an exterior insulated finishing system (EIFS). The interior offers retail space, professional one-hour photo, a self-service photo processing kiosk and a freezer/cooler area that accommodates liquor and soft drink sales. In addition, McShane also completed a fully-operational pharmacy featuring a convenient double drive-thru.

"McShane Construction is highly experienced in retail construction and has completed multiple CVS/pharmacy assignments," remarks Hoppa. "McShane's experienced construction

team has delivered a high-quality product to support this well known retailer's expanding national customer base."

Last year, McShane Construction completed a single-story, 13,255 square foot CVS/pharmacy store located in Olathe, Kansas. The Montana CVS/pharmacy assignment encompassed many of the same parameters that were utilized as part of the Kansas project. McShane transitioned its Kansas CVS/pharmacy project team to provide comprehensive construction services for the assignment in Montana, ensuring enhanced productivity and familiarity with the product type.

The CVS/pharmacy combination of healthcare services and product offerings enables the retailer to provide solutions that impact everything from pharmacy plan design to the ultimate delivery of products and services to customers. CVS/pharmacy is looked upon as an industry-leader in clinical and health management programs, specialty pharmacy expertise, retail clinics and customer service.

Detroit, Michigan-based NORR Architects, Engineers and Planners provided the architectural services for this retail assignment.
