McSHANE BEGINS CONSTRUCTION FOR W.D. SCHORSCH ON NEW 18,144 S.F. SOCIAL SECURITY ADMINISTRATION BUILDING

*(Single-Story, LEED-Silver Registered Office
Facility in Chicago to be Completed in Spring 2012)*

(Rosemont, Illinois) – Jeffrey A. Raday, President of McShane Construction Company, is pleased to announce that construction is underway on the single-story, 18,144 square foot Social Security Administration Building located at 9705 S. Cottage Grove Avenue in Chicago, Illinois on behalf of developer W.D. Schorsch Commercial Real Estate.

The facility will be constructed to meet LEED-Silver standards and has been designed to offer numerous sustainable construction materials and techniques including a comprehensive construction waste recycling program, a white TPO roof, exceptional water and energy management and the use of local materials among many other green initiatives. The exterior of the building will feature an attractive concrete and masonry blend with generous window lines offering abundant natural light. The interior of the facility features several private offices, open work areas, conference rooms, employee break room and a welcoming lobby and public waiting

area. The new building will offer parking accommodations for 80 visitors and staff, including reserved parking stalls designated for low-emitting and fuel efficient vehicles.

McShane Construction was also selected by developer W.D. Schorsch Commercial Real Estate to construct a 32,150 square foot Veterans Affairs Community-Based Outpatient Clinic in Rockford, Illinois.

“McShane Construction Company is pleased to have received a second highly regarded assignment on behalf of the W.D. Schorsch Commercial Real Estate development team,” remarks Raday. “We are committed to delivering a contemporary and efficient office facility for our client and their tenant, the Social Security Administration.”

Perspective Design, Inc. is providing the architectural services for this governmental facility that is scheduled for an April 2012 completion.
