SCF ARIZONA AWARDS McSHANE CONSTRUCTION 13,000 S.F. REGIONAL OFFICE BUILD-OUT ASSIGNMENT

*(Class A Tenant Suite for David Evans and Associates, Inc. Located
Within 4600 East Washington Office Building in Phoenix, Arizona)*

(Phoenix, Arizona) – M. Tracy Hammer, Vice President of McShane Construction Company's Phoenix, Arizona, office is pleased to announce that SCF Arizona has retained the firm to complete a 13,000 square foot tenant improvement assignment for David Evans and Associates, Inc. The Class A regional office space will be situated within the six-story, 193,000 square foot 4600 East Washington office property located at 44th and Washington Streets in Phoenix, Arizona.

McShane Construction completed the state-of-the-art, award winning 4600 East Washington office structure in late 2008 on behalf of owner, SCF Arizona, a leading provider of Arizona workers' compensation insurance. Founded in 1925, SCF has more than 56,000 policyholders and covers 70 percent of all businesses working in Arizona.

David Evans and Associates, Inc. served as the civil engineer for the unique 4600 East Washington construction assignment and will now occupy a customized tenant suite on the

building's fourth floor. The tenant space will include an open floor plan allowing abundant natural light into the office areas. High-end finishes will be utilized throughout the 20 offices, corporate boardroom, conference rooms and IT room. McShane Construction has been contracted to complete this tenant improvement assignment on a fast-track basis.

David Evans and Associates, Inc. is a 33-year-old employee-owned corporation headquartered in Portland, Oregon employing over 1,000 professionals throughout Arizona, California, Colorado, Idaho, New York, Oregon and Washington. The firm has appeared on numerous "Best Places to Work" surveys and prides itself on environmental stewardship and community service, in addition to its core business practices.

4600 East Washington is a truly unique and highly-recognizable office complex featuring a striking metal and glass exterior complemented by state-of-the art interior finishes. The building is located at the mixed-use Washington Corporate Center, offering direct access to the 20-mile Metro Light Rail System, Phoenix's first fixed public transportation system, connecting the city to three nearby suburbs. The building is within close proximity to Phoenix Sky Harbor International Airport and is positioned on a 2.9-acre parcel in the city's "opportunity corridor".

About McShane Construction Company
