McSHANE CONSTRUCTION COMPLETES CAMELBACK ESPLANADE PLAZA RECONSTRUCTION ASSIGNMENT IN PHOENIX, ARIZONA

*(Completed 45,000 S.F. Plaza Update Provides Modern and
Aesthetic Appeal to Existing Mixed-Use Corporate Business Park)*

(Phoenix, Arizona) – M. Tracy Hammer, Vice President of McShane Construction Company's Phoenix, Arizona office is pleased to announce that the firm recently completed the 45,000 square foot reconstruction assignment at the Camelback Esplanade corporate business park on behalf of owner, Camelback Esplanade Association. Camelback Esplanade is a premier mixed-use development that includes high-end office space, retail, entertainment and residential components located at the intersection of 24th Street and Camelback Road in Phoenix, Arizona.

The assignment included the complete renovation of the existing 20-year-old plaza, offering the removal and replacement of concrete pavers and borders, drainage systems and stairs. McShane Construction also retrofitted existing lighting, completed all landscaping and added aesthetic shade canopies for the comfort and protection of patrons.

“The completion of the upgrades to this well-positioned contemporary plaza presents this mixed-use business park with an updated appeal, providing enhanced leasing opportunities for the owner. Additionally, the existing tenants and visitors are able receive greater benefits while working or enjoying this highly popular office, residential, retail and entertainment complex,” remarks Hammer.

Phoenix, Arizona-based Butler Design Group provided the architectural services for this mixed-use reconstruction assignment.
