August 12, 2010

McSHANE CONSTRUCTION AWARDED CVS/PHARMACY RETAIL ASSIGNMENT FOR DEVELOPER, THE VELMEIR COMPANIES

*(New Single-Story, 14,700 S.F. Store to Feature Retail, Grocery
and Pharmacy Components Scheduled for a February 2011 Completion)*

(Auburn, Alabama) - Scott J. Hoppa, Vice President of McShane Construction Company's Southeast Region, is pleased to announce that the firm was recently awarded a 14,700 square foot CVS/pharmacy construction assignment for developer, The Velmeir Companies. The new single-story retail facility will be located at 3095 N. Montana Avenue in Helena, Montana.

The exterior will be constructed of an attractive masonry finish featuring split face CMU block and an exterior insulated finishing system (EIFS). The interior will offer retail space, professional one-hour photo, a self-service photo processing kiosk and a freezer/cooler area that will accommodate liquor and soft drink sales, in addition to a fully-operational pharmacy featuring a convenient double drive-thru.

"We are pleased to bring McShane Construction's expertise in retail construction technology to this CVS/pharmacy assignment," remarks Hoppa. "McShane's experienced

construction team will deliver a high-quality product to support this well known retailer's expanding national customer base."

McShane Construction recently completed a single-story, 13,255 square foot CVS/pharmacy store located in Olathe, Kansas. The Montana CVS/pharmacy assignment will encompass many of the same parameters that were utilized as part of the Kansas project.

McShane has transitioned its Kansas CVS/pharmacy project team to provide the comprehensive construction services for the new assignment in Montana ensuring enhanced productivity and familiarity with the product type.

The CVS/pharmacy combination of healthcare services and product offerings enables the retailer to provide solutions that impact everything from pharmacy plan design to the ultimate delivery of products and services to customers. CVS/pharmacy is looked upon as an industry-leader in clinical and health management programs, specialty pharmacy expertise, retail clinics and customer service.

Detroit, Michigan-based NORR Architects, Engineers and Planners is providing architectural services for this retail assignment.
